FIND US ONLINE

- ▶ Visit Grainger.com
- ▶ Search for Category **Potable Water Push-to-Connect Tube Fittings**
- ▶ Select the Brand **APPROVED VENDOR**

The screenshot shows the Grainger website interface. At the top, there's a navigation bar with 'Catalog', 'Find A Branch', 'KeepStock', 'Help', and '1-800-GRAINGER'. On the right, there are links for 'Register' and 'Sign In'. Below the navigation bar is a search bar with the placeholder text 'Enter keyword, item, model or part #'. To the right of the search bar are links for 'Bulk Order', 'My Account', and a shopping cart icon. The main content area shows the breadcrumb trail: 'Product Categories / Pipe, Hose, Tube & Fittings / Tube & Tube Fittings / Tube Fittings / Push-to-Connect Tube Fittings / Potable Water Push-to-Connect Tube Fittings / APPROVED VENDOR Potable Water Push-to-Connect Tube Fittings'. There's a 'Search Feedback' button on the right. The left sidebar has a 'Brand' section with a list of brands: 'APPROVED VENDOR' (checked), 'JOHN GUEST', 'NIBCO', 'SHARKBITE', 'SHARKBITE MAX', and 'WATTS'. Below that is a 'Specific Fitting Shape' section with a list of shapes: '90° Drop Ear Elbow', '90° Elbow', '90° Elbow Adapter', 'Cap', 'Reducing Tee', 'Straight Adapter', and 'Straight Coupling'. The main content area is titled 'Potable Water Push-to-Connect Tube Fittings' and shows '52 products'. Below the title is a description: 'Potable water push-to-connect tube fittings are suitable for all drinking and potable water applications. These fittings, also called push fittings, connect tubing without the use of special tools, glue, soldering, or unions. Tubing is pushed into the fitting and held in place by a grab ring which disconnects the tubing for frequent changes.' There are two product images: 'Standard Brass Push-to-Connect Tube Fittings' and 'Stainless Steel Push-to-Connect Tube Fittings'. At the bottom, there's a 'Clear All' button and a 'Brand' filter set to 'APPROVED VENDOR'.
